To: Parents of Shasta Union High School students

From: Fred Schafer, Director of Nutrition Services

Subject: Possible Financial Relief Resource

Date: February 4, 2009

The purpose of this letter is to let you know of a service and resource that is available. At the beginning of each school year each student is given a "Your Fair Share" form to take home to their parent/guardian.

After the parent/guardian completes the required information on this form, a determination is made whether a student qualifies for free or reduced price meal. Each family is then contacted through the mail concerning the determination.

What you may not know is that if a family's income is reduced during the school year, a family may reapply to see if their student qualifies for free or reduced meals. These meals include not just lunch, but also breakfast or brunch. Brunch is available at Foothill, Enterprise and Shasta Learning Center.

With the difficult economic situation many families are facing I thought it important to let you know of this service and resource. Either you or your student may pick up a new "Your Fair Share" form from the manager at their school cafeteria or from the school office manager.

Please feel free to contact me at 245-2628 if you have any questions. Thank you.

Fred Schafer  
Director of Nutrition Services  
Shasta Union High School District
